REQUEST FOR
CONTINUANCE

Re: ICC v. Union Pacific Railroad Company
ICC No. T02-0034 (Railroad Crossings Repair Citation)

Dear Judge Korte:

Thank you for your Notice of Continuance in the above captioned case. Upon receiving it, I advised Bob Berry that I will be out of the state on July 15, 2003, attending a National Convention for persons with disabilities (Ambucs). Bob has kindly agreed that he has no problems with rescheduling the Hearing, perhaps to Tuesday July 22, 2003, if that fits with your schedule.

Unfortunately, I will be out of town today (Sunday) through Tuesday attending my brother's funeral and such, and time this morning does not permit me to prepare and file a formal Motion to Reschedule. I will touch base with Bob upon my return Wednesday to determine whether this request is all right with you.

As always, thank you for your consideration in such matters.

Very Truly Yours,

Dean W. Jackson
